LIVE NEWSPAPER IN A LIVE TOWN---HAMILTON

STILL SOME CHANCE FOR THE COBEOUID

Stranded Vessel's Wireless Was Working This Morning.

Some Wreckage From Her Has Been Washed Ashore.

EARS FROZEN IN BED

WHILE ON A VISIT

(By Times Special Wire) (By Times Special Wire.)

St. John, N.B., Jan. 14.—The faint
purr of an "S.O.S." call from the missing steamer Cobequid was picked up.

A several points in the Bay of Fundy
at 10 o'clock this morning, and re-

at 10 o'clock this morning, and re-vived hope for the safety of the vessel and the 120 people on board.

The wireless was not sufficiently strong or continuous to give the lo-cation of the vessel, but indicated that she had survived a tempestuous

WEDNESDAY, JANUARY 14, 1914

The Twentieth Contury Club has evening ordeheated the alleged victory of the
Tories at the recent municipal elections.
The Such that more Conservatives than
all liberals were elected to municipal officeappears to have given cause for a geningenity of the transport of the transport of the Tory party. The reploing and
congratulations has evening were not
over the election of a body of near who
were well qualified to ably administer
thesaffairs of the size when congratulations hast evening were not over the election of a body of men who were well qualified to ably administer the effairs of the eight and pulls. That was apparently of little consequence, What the Tweetisch Century that and its firmls rejoised over was the fact that more Torice than rivine some in a difficult of the City Council.

It will interest our readers to know just how the political parties stand in the City Council.

It will interest our readers to know just how the political parties stand in the City Council.

It will interest our readers to know just how the political parties and in the Unionists have won twelve the council of the City Council.

Exercise the City Council.

See the Union the City Council of the City Council of the City Council of the City Council of the City are the City Council of the City are the City Council of the Cit

that can come to other or not having the best men in charge of the city's the configuration of the city's best men in charge of the common of the common

WHO WILL SUCCEED WHITNEY?

Mr. Kenyon, who was returned	

An eviction in Hamilton in yester weather. Surely nothing like that took place in Ireland.

Congratulations to S. F. Lazier. good opinion of his fellows is more desired than even the honor given.

Japan is much afflicted these days. famine is abroad in the land and oleanic eruptions have slain handreds the inhabitants.

astona fire's result.

The French Canadians need not worry about their language. Its perpetuation should not depend on the schools. The Scotch language is not taught even in the schools of Scotland, yet it persiste and will persist to the end of time.

The Toronto News grows indignant when it is hinted that the Dominion Government is in any way responsible for the present trade depression. It is only the Grits, we suppose, that cause depression when they are in of-

are many thousands out of work.

Over 2.500 cases came under the attention of the Judge and officers of the Montreal Juvenile Court during 1913, five hundred more cases than in 1912. There was one case of murder and one of attempted suicide. Possibly there is rot enough of juvenile depravity in Hamilton t. keep a juvenile court outy.

The United States Scaretary of War and the Chief Stati of the Army both declare that the limited States Army is because the suice of the state of the Army both declare that the limited States Army is barring sare and certain defects should any first rate power come at it. Neel-less to say these two gentlemen are laying wires for a large appropriation for military purposes.

Because of crop failures in the north-

Japan and Formosa. Our own litt trouble seems insignificant in the pr sence of such a calamity.

The Monetary Times Annual of nearl

It is now twenty-one years since Pas-tor Philipott began work in Hamilton, and the annual meeting of the Goopel Tabernacle, held last evening, is ample evidence of his success, and of the good work he has done since he came and the adown town church but it gaters its congregation from all parts of the the remarkable featurement in the mis-sion field. Another is that it is super-sion field. Another is that it counting results for the year it tabulates the number of conversions.

Children's Colds From Wet Feet and Chilled Bodies.

A puddle of water or patch of ice is an irresistible temptation for every boy, and most girls. The result is usually wet feet, childed bodies, cough and colds.

The children must be safeguarded, for, if they do survive the frequent coughs and colds, it is often with the lungs so weakened that they become chronic sufferers from bronchitis or consumption.

Dr. Chase's Syrup of Linseed and Turpentine will almost invariably cure a secure of the quick relief it affords them.

Many mothers prize this medicine most

consumption.

Stanley Mills & Co.,

Store Closes Every Day At 6 o'clock

WE are glad to see the steady gain of business in our Bed

department. The values are such that careful shop-pers not only make all their own purchases here—but they tell their friends to come here, too. And that word-of-mouth advertising is the very kind that does us the most good. Here are some of the values that are talked about in this way.

At the popular figure of \$3.98, we offer five splendid designs in white enamel beds—some plain, some brass trimmed. They are all full size, and of guaranteed make.

As a leader for to-morrow, we have 50 good bed springs, made with maple sides and vermin-proof ends—the spring being finely woven and fitted with cable supports, reduced to \$2.19 each.

Also, 25 mattresses, made of curled seagrass and felt, with nice art ticking, all sizes, at \$3.39 each. Single bed cots, special, \$1.49.

N the January Clean-Up of Wall Papers, these three offerings

stand out prominently as values of extraordinary First—Imitation Leather Papers, suitable for din-ing rooms, halls, etc., oil painted, selling now at 39e roll.

Second—Dining Room and Hall Papers, in six dif-ferent panel and conventional designs, of medium and dark colorings, selling at 15c roll.

Third—Heavy American Metal Wall Papers, most suitable for large dining rooms, cafes, etc. One is a plain sidewall effect, another is a panel design with fruit. Selling at 19e roll.

The reductions on the above amount to nearly half the original prices.

WHY KONIGSBIER

Is Unlike All Other Lagers

"Why is Montastier so much superior in taste and flavor to all other lagers—haven't all brewers the same facilities for brewing?" are questions which are frequently asked.

To brew Honigsbier requires that the Lager be aged at an unvarying temperature, that the malt, hops and water be properly blended, that scrupulous cleanliness be maintained in every process of the

But to be able to do this and produce a lager like **Honigsbier** is a rare art—one not easily

A Determined Blacksmith Suc

ceeded at Last

A Determined Blacksmith Succoeded at Last.

The Scientific American related the
following story of edetermined blackmuch size was necessary determined.

"I am a blacksmith from Canada," he
said. "I hammerel this out on the
ment. It is going to be used instead of
mell. It is going to be used instead of
forty pounds.

"How is a horse to carry this lead
sround its neck and draw a heavy load
"How is a horse to carry this lead
sround its neck and draw a heavy load
"This is a little heavier time in need
be," he explained. "It will be all right,"
This is a little heavier time in the
form weating money on a horse-collar.
The canadian returned with another
cuts of his ground. Six months later
the Canadian returned with another
cular, an improvement on the original.
Culture in the collar, in the collar, in the collar, in the collar,
time he brought with him a now metal
collar, lighter and better than its prelime he brought with first a now metal
collar, lighter and better than its preNow almost every fire engine hears.
